

### Guide to uniform purchasing for new students

The following shop items are compulsory for all students:

- School shirt
- School shorts/pants/skirt (students may choose their preference)
- School tie (junior yrs 7-9 striped, senior yrs 10-12 plain)
- School sports uniform: shorts, polo shirt, sports cap
- School jumper/vest or winter jacket (or both)

The following items are compulsory for IMP (instrumental music program) students:

- Black IMP shirt (recommend x 1 item as only required for performances)
  - Senior tie
- [self supply: black dress trousers or skirt, black socks and black school shoes]

The following items are optional and highly recommended:

- School bag (ergonomic design with padded computer pocket. Two different sizes available). Otherwise students may use their own preferred choice of bag
- Sports track pants

Other items on the list are optional and a matter of student preference.

The following items are self supplied:

- Shoes: black enclosed school shoes, sports shoes (eg runners)
- Socks (white - option 1 or grey – option 2)
- Black tights (option 1) (also available to purchase)

### Notes to guide purchasing decisions

- The uniform policy is inclusive of all genders. Students may choose to wear option 1 (female body cut) or option 2 (male body cut) regardless of gender.
- It is recommended that a minimum of two top (shirt) and two bottom uniform (skirts/shorts/pants) items are purchased. Some students prefer to have more items to ensure that they are not short of clean clothes through the week.
- Short sleeved shirts and shorts/skirts are generally worn in summer, and long sleeved shirts/long pants are generally worn in winter, however some students prefer to wear some items throughout the year.
- Students may wish to purchase winter items in advance, but others will prefer to wait and purchase these later in the year. It is recommended a student has a minimum of 1 x jumper/vest or winter jacket. Many purchase both jumper and winter jacket.
- If a student is allergic to wool there is a cotton jumper available to order on request.
- The winter jacket is popular. Orders for it are placed in autumn, so it cannot be purchased at Orientation, however there are samples to try on for size. Note that sizes are large.
- The school blazer is optional. Some students may wish to purchase one in preference to the winter jacket.
- All students need a sports uniform. Sport is once a week but occasionally there are carnivals or special events such as soccer matches. Some students may wish to purchase two sets. Sports clothes must be brought to school not worn all day.
- STUDENTS SHOULD PUT THEIR NAME ON EVERYTHING!
- Any questions, please ask a parent volunteer or Gladys, our Uniform Shop manager.
